Concessions (Penni Clemons)

- Penni provided Laura with best practices information for new VP Concessions
- All equipment, except accessories like utensils, gloves, foil, etc. has been moved into new football concession stand – look in basketball concessions before buying any new accessories
- MYF&C freezer was also put in there, so we need to find out where/what to do with it
- Need to buy a new grill, as ours was returned in very poor condition (Board approved Rob Klenk to source/purchase new grill – including assembly - using MABC concessions credit card)
- Suggested to have 2 candy stations in the new building, as it will be too far away from the three windows to have it all in the middle of the room
- Now that the concession building is air conditioned, we can get bread delivered from Klosterman again
- Look for POS system for at least 1 window in football concessions (might need to buy a cheap laptop, if needed)
- Julie will let football know to schedule 16 volunteers for Friday night games
- Highly encouraged to have new VP Concessions become Serve Safe certified
- Ruthann is retiring and will not be helping with Craft Show anymore; however, she will train a replacement

Craft Show (Justin Bonnell)

Hall of Fame (Laura Dominique)

 - Working on a new track & field / cross country school records board to replace what was lost during demolition of stadium – will provide estimate at August board meeting

Old Business

- MABC Board elections
 - Stu will not be returning as Secretary, so we will be looking for a replacement (Darragh will contact a potential replacement and let us know)
 - Still looking for a shadow/replacement for Treasurer (have 1 person who is possibly interested)
 - Still looking for someone to take over as VP Concessions
 - Laura received an email from someone interested in helping with future fundraising efforts

New Business

- Possible Flight Night for 2025
 - We can get Pete Rose for one final Flight Night if we are interested in doing so
 - Brainstormed updates to format of event keeping in mind the results from the survey that was sent out to families: shorten time of event; have senior athletes help out where they can (not in same room as any alcohol); have live auction and silent auction items available online; look into incorporating “buy a key” and “gift card punch wall” options, lower price of VIP tickets; all attendees get picture with Pete but only VIP will get signed item, look at other venues, work with Oasis to see difference in having event on Fri/Sat night instead of Thurs night
